Our Agency

Travel Your World acts as an agent for airlines and wholesale travel companies and other suppliers providing services, including accommodation and transportation services. Travel Your World is not a provider of services and has no responsibility for services provided or not provided by any party. No warranty or representation regarding the standard of any service or product is given. All bookings are made subject to the terms and conditions and limitations of liability imposed by those service providers. It is essential that you familiarise yourself with the terms and conditions and limitations of liability of those service providers as you will be bound by them.

If any travel service provider is unable to provide the services which you have purchased from them, your remedy shall lie against the provider and not Travel Your World.

Airline Bookings

Airfare prices quoted are due and payable immediately upon booking date, and are subject to change, withdrawal or alteration by airlines without notice, prior to the final ticketing process being completed. Any pre-reserved seating is subject to change at any time by the airlines. Individual airline conditions do apply and these can be obtained by contacting Travel Your World consultants or by contacting the airline direct, via phone or the airline's web site.

Taxes

Government tax, airport charge, fuel surcharges are current at time of booking but are subject to change without notice.

Airport and departure taxes are included in the airfare, or included within the Government taxes or airport charges. Additional departure taxes may be applicable at some airports and payable in the local currency directly on departure.

Credit Cards

You consent to us supplying your billing, payment and identification information to third parties with whom you enter into transactions. We may also provide such personal information to third parties as is required to complete your booking e.g. cruise bookings.

You authorise us to disclose your credit card details to, and obtain information from, any financial institution or credit card issuer to verify the credit card and identification details that you provide. You also authorise your credit card issuer or financial institution to verify that the credit card and identification details you have provided to us are accurate.

You authorise us to take steps to confirm that there is sufficient credit on your credit card account to meet likely charges. For any payment by credit card, airline tickets will not be issued until authorisation has been obtained from the relevant card company. You authorise us to charge all fees incurred to the credit card designated by you. If payment is not received from the card issuer or its agents for any reason, you agree to pay us all amounts due on demand. Confirmed bookings are subject to your credit card approval for the transaction. Where your purchase by credit card is not approved, we will attempt to contact you but Travel Your World is not responsible for any subsequent non-provision of services in the event we

are unable to establish contact with you.

To ensure the highest level of transaction security, Travel Your World operates in conformity with the National Privacy Principles in the Privacy Act 1988 (Cth) and is committed to protecting the privacy and confidentiality of personal information. Please ensure that you view, and familiarise yourself, with our Privacy Policy, available on our website, which describes how your personal information is collected, maintained and, if applicable, circulated to third parties.

Fees

Credit Card Fees:

Mastercard and Visa incur a fee of 2%
American Express incur a fee of 3.0%

Credit card surcharges apply when paying by credit card. If for any reason any travel service provider is unable to provide the services for which you have contracted, your remedy lies against that provider and not against Travel Your World. In the event that payment has been made to Travel Your World by credit card, you agree that you will not seek to claim back from Travel Your World any credit card surcharges.

Reissue Fee:

If any ticket has been issued that requires a change, for example to a date, a reissue fee will apply, at a fee of from \$110 per change plus any reissue fee payable to the airline.

Cancellation Fee:

All cancellations are governed by the terms and conditions of the airlines booked for services. After confirmation, any cancellation of any component of your travel package will incur a \$110, inclusive of GST, per person cancellation fee levied by Travel Your World plus any cancellation fee that may be imposed by the travel provider as laid out in their conditions.

Refund Fee:

Your request for a refund of a booked airfare is governed by the terms and conditions of the airline from which you have purchased the airfare and is made or not made as determined by the airline. Many fares are non-refundable. Airline charges or cancellation fees may apply to your particular airfare. Where a refund is applicable, the turnaround time from the date of your request for refund to the date you are provided with your refund may take up to 12 weeks and varies according to the supplier involved.

Lost Ticket Fee:

The fee incurred is \$110 per ticket inclusive of GST, plus any airline incurred fees. Tickets misplaced/lost by passenger must be fully paid for even when they have been lodged for a Refund/Lost Ticket Indemnity with the relevant airline. Tickets submitted for refund must not be deducted from or offset against invoices; they will be submitted as per normal refund procedure.

Amendment Fee:

Any amendment will incur a charge of from \$55 (inclusive of GST) in each instance in addition to any amendment levied by the travel supplier.

Passports

All individuals departing from Australia must be in the possession of a valid passport. If your passport is due to expire within six (6) months of your return to Australia, then you will need to obtain a new passport. However, this is often variable depending on the country you visit.

Please ensure you have a valid Passport and a Visa (as applicable) for the countries to which you are travelling. The Australian Department of Foreign Affairs and Trade provides helpful information on applying for or renewing an Australian passport.

Please ensure that you have a valid passport well in advance of travel as either the airline staff or immigration authorities will not allow you to pass through customs and board your

flight without this documentation.

A helpful website available for travellers to obtain up to date information is at <http://www.dfat.gov.au/travel/index.html>

Visas

A visa provides you with the authority as a non-citizen to travel to another country. Obtaining a visa is the responsibility of the traveller.

Visas are obtained from the issuing authority generally in Australia, usually an embassy. Visa requirements vary both by the country you are travelling to and the current citizenship you hold, so please ensure you check well in advance of your travel dates to allow sufficient processing time as required by the embassy.

Either airline staff or immigration authorities may not allow you to pass through customs and board your flight without the appropriate Visa. <http://www.dfat.gov.au/travel/index.html> for further advice.

It is your responsibility to ensure you have valid visas and re-entry permits which meet the requirements of immigration and other government authorities. Any fines, penalties, payments and expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

Travel Your World can assist you with Visa applications.

Currency

All pricing is reflected in Australian Dollars (AUD) unless otherwise specifically denoted on the screen.

Health / Vaccinations

It is your responsibility to ensure that you are aware of any health requirements for your travel destination and to ensure that you carry all necessary vaccination documentation.

All travellers, regardless of the intended destination, should contact "The Travel Doctor" - TMVC (local call 1300 658 844) or your own doctor for professional advice prior to departure. You may also like to access the following websites, which are useful for recommendations on vaccinations required.
